

We now have official, published confirmation that we have passed CNST Safety Action 2 for July, the assessment month for Year 6.

Maternity Services Data Set information for Maternity incentive scheme (CNST) Year 6: Safety Action 2

The table below summarises the number of criteria met by each maternity service provider, by month. For Y6, there are two criteria to meet on MSDS data submission. This scorecard will be updated and published each month.

The final results for the CNST MIS Y6 SA2 assessment, using July 2024 data, are now available in this scorecard.

As July 2024 is the CNST MIS SA2 assessment month, provisional August figures have not been included to minimise the risk of confusion. Provisional figures will be included again from next month.
