We understand that appointments may overrun or there may be delays. If your appointment is between the hours of 10am and 3pm but you do not leave the hospital until after 3pm, you can get the next available bus. Buses run every 15 to 20 minutes. Buses leaving after 4pm are very well used by staff at the hospital so may be busy.

The bus runs from Oxon Park & Ride to the Treatment Centre. Buses do not stop at the ward block.

The site is located behind the Bicton Heath Co-operative. From the Shrewsbury bypass, turn on to the Welshpool Road heading towards Redwoods Hospital, turn left at the junction directly after the traffic lights and continue towards the signposted Park and Ride. The nearest postcode to the Oxon site is SY3 5AD (Bicton Heath Retail Park, Shrewsbury).

For lost or forgotten items, or if a bus fails to stop, please call 01743 453645. If you have any feedback, suggestions or questions you can email [sath.parkandride@nhs.net](mailto:sath.parkandride@nhs.net).
